FOUR-STOREY APARTMENT IN HVAR, NEWLY BUILT

Apartment Rhapsody is located in Hvar, a city known for its rich history, impressive architecture, wonderful nature, and mild climate. The apartment is located the second row to the sea, just one kilometer away from the Hvar main promenade and „piazza“ square. The island Hvar is a well-established destination, which can boast a varied tourist offer that meets every visitor’s expectations. Apartment Rhapsody spreads over 4 floors and has a total residential area of 140 m2. The basement contains a fitness area, sauna, and a bathroom. The ground floor features a kitchen and dining area as well as a toilet. The outdoor space provides an 11 m2 terrace and large garden area of 45 m2. A large master bedroom with private bathroom and balcony (6 m2) is situated on the first floor. The attic area (second floor) provides two bedrooms and one bathroom. Due to the property disposition and concept, the apartment provides privacy and comfort as it were a private house. The apartment is currently in the final construction phase.
