Each Office is Independently Owned and Operated

These attractive plots, complete with project documentation for obtaining building permits for the construction of luxury villas, are located in an idyllic location near the sea on the south side of the island of Brač. This exceptional location is known for its picturesque surroundings, beautiful bays, and crystal clear sea that cannot leave you indifferent. The island of Brač is Croatia's third-largest island. It is one of Croatia's most popular tourist destinations, and it is often recognized and awarded worldwide for its cultural and historical heritage and natural beauty. The island is well connected to the mainland by regular ferry lines and has an airport. The project envisions the creation of three villas, each boasting a unique design and contemporary interior that adheres to the highest global standards. The plots offer a breathtaking view of the sea and the islands of Hvar, Vis, Svetac, and Jabuka, and the iconic Zlatni Rat beach in Bol. This is a golden opportunity for investors to secure a profitable venture in a prime location. This first-class location is ideal for enjoying the Mediterranean lifestyle, and the immense natural beauty of this island and the plots are a unique opportunity on the market. Three plots are available for sale: Plot A – 836 m<sup>2</sup> | 270.000 Eur Plot B – 897 m<sup>2</sup> | 300.000 Eur Plot C – 909 m<sup>2</sup> | 340.000 Eur (excavations done)
