A RENOWNED RESTAURANT NESTLED RIGHT IN THE HEART OF KORNATI ISLANDS

Situated in a unique waterfront setting, within the Kornati archipelago with one of the most beautiful national parks which also represents the most indented island group in the Mediterranean, restaurant Blue Oasis has become an unavoidable destination for sailors who keep returning to this impressive oasis of peace and endless blue surroundings intertwined with islets that cannot leave you indifferent. The outstanding natural ambiance and enchanting sea views offer an authentic Mediterranean experience to the discerning restaurant guests allowing them to fully indulge in the culinary magic which resulted from a long-standing hospitality tradition. The enticing offer, top-quality ingredients and unique ambiance have been recognized by guests from all over the world, thanks to which the restaurant has a well-deserved reputation for exceptional fine dining and it has become synonymous with a supreme gastronomic experience and an utmost relaxing atmosphere. Prospective buyers can purchase the company that owns this well-established restaurant and has a long-term lease agreement for the use of the said restaurant and the accompanying facilities. The restaurant has 140 standard seats and 80 seats in the lounge area on comfortable canopy beds. Near the restaurant, there is also a staff house with 14 beds. The restaurant has electricity and water supplies, as well as the complete infrastructure required for the management of a restaurant of this category. The restaurant is equipped with seawater desalination, electricity generators, solar panels, and a biological septic tank, and it provides berths to boats and yachts which are up to 30 meters in length. The epitome of the first-class restaurant, Blue Oasis is a truly unique establishment in its surroundings and represents an exceptional investment opportunity and a remarkable chance for the development of a magnificent gastronomic story that will satisfy even the most sophisticated palate.
