AUTHENTIC COUNTRYSIDE STONE HOUSE IN A PEACEFUL SETTING

Authentic property Allegria comprises recently restored countryside stone house located in the charming village only 20 kilometers from the historic city of Trogir which was chosen as a UNESCO World Heritage site. This region is perfect for a genuine Dalmatian experience since it is rich with vineyards, olive groves, historic sites, and breathtaking beaches. Villa Allegria is filled with character and has a rustic charm, yet offers all modern facilities. It consists of two objects which are connected with outdoor stairs, therefore represents a classic example of authentic Dalmatian architecture. The emphasis is put on the outdoor area which consists of a heated swimming pool with sun loungers and stone built barbecue. The interior space consists of a cozy living area with kitchen, dining room and bathroom, and separated area with two en-suite bedrooms and a laundry room. Living room features a nice fireplace and provides all the benefits of modern living. If you are looking for a less touristy place, villa Allegria is a perfect choice and all the necessary amenities like beaches, restaurants, and shops are only 10 minutes away from the villa. This location is ideal for a quiet getaway and if you want to combine a relaxed beach holiday and city break, many tourist centers such as Split, Trogir, Rogoznica, Primošten or Šibenik are within an hour's drive from the village. Villa offers a lovely view of the Adriatic and traditional Dalmatian village immersed in Mediterranean greenery and it accommodates up to 5 persons. WEEKLY PRICE
