Nestled at the foot of a lush pine forest in one of the scenic seaside villages of the Makarska Riviera, this newly built vacation villa is a true paradise for admirers of the Mediterranean lifestyle. Conveniently located between the mountain in the north and the captivating Adriatic coast with its scenic islands, the Makarska Riviera is one of Croatia's most prestigious tourist destinations. It is an ideal holiday getaway for families and sports enthusiasts since it offers a seductive Adriatic lifestyle and limitless access to pristine natural beaches intertwined with many entertaining and adventurous options for water sports or excursions to nearby islands, historic sites, and national parks. Villa Delmare has 300 square meters of living area across three floors, offering the ultimate comfort and privacy with easy access to attractive tourist spots and larger cities. Villa Delmare has been constructed in harmony with its mesmerizing environment and will be adored by those who admire minimal aesthetics and an abundance of natural light. The villa also boasts four spacious bedrooms with private bathrooms and balconies or patios, and a large entertainment room which can also be used as a gym, an office area, or similar.
