Villa Olimpia is a luxurious seafront stone property in an attractive location in the town of Vis. The island of Vis is a unique destination that captivates with its beauty and rich history. This picturesque island attracts visitors with its authentic Mediterranean charm and untouched nature. It is surrounded by a beautiful turquoise sea and pristine beaches, while its shores hide numerous coves and caves waiting to be explored. The town of Vis is an ideal destination for those seeking peace and tranquility, authenticity, and incredible natural beauty. With its picturesque atmosphere, rich history, and diverse activities, Vis is an irresistible destination that will leave lasting memories. Villa Olimpia extends on four floors – basement, ground floor, first floor, and attic. The basement and ground floor feature a large duplex apartment with auxiliary rooms. The first floor houses two smaller apartments, and the attic contains an additional apartment. Villa Olimpia stands out with its high-quality concept and luxurious design, but its most significant advantage is its extraordinary location right by the sea. The villa has a beautiful waterfront area with the possibility of mooring a boat (communal berth). The exterior is adorned with Brač stone, while the interior boasts the finest wooden finishes. It was completely renovated in 2017, following its initial construction in 2000, and has been exceptionally well-maintained. Each bedroom offers a stunning sea view, and each apartment has a spacious terrace with a sea view, perfect for sunbathing and enjoying the outdoors. The apartments are fully equipped with comfortable beds and provide a boutique hotel experience with impeccable details. The villa features 514 m² of beautiful interior space and 204 m² of terraces with sea views, including a large terrace with direct access to the sea that belongs to the largest apartment. It has 9 bedrooms, 7 bathrooms, and 4 fully equipped kitchens. There is also a large outdoor grill with a sink, shower, and an indoor marble fireplace. The interior design of the villa and the floors are adorned with African Doussie wood, providing a unique warmth and elegance. All amenities are nearby, including excellent restaurants, supermarkets, markets, bars... Villa Olimpia is a unique property representing a perfect blend of elegance, top-notch design and equipment, comfort, and a spectacular seaside location. With its exceptional architecture and thoughtfully designed interior, this villa offers a superior island experience. Every detail has been ca...
