Vinišće Bay Living is a luxury resort complex consisting of six modernly designed villas representing the perfect fusion of minimalist architecture and captivating natural surroundings. Located in one of the most alluring seafront sites in Dalmatia, Vinišće Bay Living offers plenty of lavish features that ideally complement the invigorating ambiance of pristine Adriatic sea, blissful sunsets, and lush Mediterranean nature. Once a fishing village, Vinišće has developed into an attractive tourist destination in the Adriatic, offering plenty of coves and beaches to explore and experience the joy of pure relaxation. With its contemporary architectural design embracing large glass walls, each of the six villas features a mesmerizing sea view and allows you to enjoy constant contact with the inspiring nature surrounding the resort. The favorable position of this resort will enable you to enjoy pristine beaches, which are only a short walk away. Vinišće Bay Living is an exquisite resort that combines the best of two worlds, an indigenous Mediterranean ambiance lifestyle and pure modernism in a unique way, and is the ideal choice for all who want to enjoy an enchanting natural ambiance without compromising quality or comfort. The proximity of the International airport Split (20 kilometers), UNESCO World Heritage Sites in Split, Trogir and Šibenik, marina Frapa in Rogoznica (15 kilometers), as well as two national parks the (Kornati National Park and Krka National Park) make Vinišće Bay Living a unique project within its environment which will enable each guest a magnificent experience and lasting sensations of well-being. Vinišće Bay Living is being built by a renowned international investor with great experience and expertise in real estate investments. To all property owners, property management services will be available.
